## NO RALLY ON STOCK MARKET

The sugar market today was sluggish with little movement of prices up or down to feature it. What few sales were made showed the effects of the recent slumps, and although sugar is up a little, there is little rallying power in the stocks to follow it.

Among the more notable transactions were a number of blocks of Oahu sugar at \$31.50, some of the new gas bonds at \$100, 100 McBryde at 6.37 1/2, a slump from 6.50 and 10 Oloa at 5 even.

Three dividends were declared. Hawaiian Commercial split the regular twenty-five cents; Onomea declared the thirty cent regular and fifty cent special, while Honolulu handed out the \$1 regular and \$3 specials. Both specials were announced some time ago.

## The Dignity of Service

IT is nowhere so well exemplified as in this store. There are two things a mother spends her money for—Goods and Service. That we have the right goods is conceded by all who have seen our XTRAGOOD Suits for Boys. But the quality of our service is not measured by what you buy. It is determined by the requirements of each individual case.
